

Dear Stallion or Mare Owner,

As you know, the Texas Gold Classic Stallion Auction Futurity is in its final year. Only weanling foals from the 2008 breeding season and yearlings from the 2007 season which are by stallions that sold in the auction are eligible for the 2009 Texas Gold Classic Futurity. We hope that you will participate if your weanlings/yearlings are eligible. Entries for the Texas Gold Classic Futurity are due July 1, including the free entries assigned to stallion owners whose breedings sold and to mare owners who purchased the breedings. An updated form will be on the web site soon..

Besides having the final Texas Gold Classic Futurity, TPEA will continue to hold its regular Fall Futurity in October. You did not have to sell or purchase a breeding to enter this futurity which is open to all weanlings and yearlings that are palomino or have a palomino parent. Simply pay the \$150 entry fee and send the Texas Fall Futurity form by September 1.

Eighty-five percent of the entry fees will be added to the payback as well as added money from TPEA. We are also looking for sponsors for additional funds/awards. This combination could result in a significant payback.

We hope that you will consider joining us in October in Athens, Texas, for the final Texas Gold Classic Futurity to be held on Sunday the 18<sup>th</sup> and/or for the TPEA Fall Futurity to be held on Saturday, the 17<sup>th</sup>.
